

About Us

Weld-All, LLC is a Limited Liability company registered in the U.S.A.

The company was established in 2010 for the purpose of manufacturing PVC and CPVC cements, primers, cleaner, and adhesives and related products. We ACTUALLY MANUFACTURE these products in the U.S.A.

Weld-All products have been well received by customers and end users. The company also has enjoyed tremendous growth in sales and customers. It sells products not only in the USA but also to several countries in the Middle East such as Saudi Arabia, Iraq, Jordan, Lebanon, UAE, and Egypt. It also exports to Europe, Africa, India and Pakistan.

“Our mission is not to be everything to everybody but everything to our customers. We listen and learn requirements of our customers and respond with dedication and without any excuses.”
